SIR,

In forwarding copy of the enclosed telegram from some merchants of Tumkur to the Dewan I have under instructions to request that sufficient cash may be maintained in the District Treasury for cashing currency notes. As this throws unnecessary trouble on the Treasury and necessitates maintenance of a larger cash balance than what is required for purely Government purposes a commission of 4 annas per cent should be charged on all currency notes cashed in the District and Taluk Treasury at Tumkur.

I have &c

From

To

The Chief Secretary
to the Dewan of Mysore

SIR,

With reference to Proceedings of the Government of Mysore No. 4804/180 dated 20th July 1891, I have the honor to report that the premium of ¼ per cent is charged on all currency notes cashed in the Taluq Treasuries noted in the margin and not only on those of Rs 100/- and upwards.

It was for this reason that in my instructions to the Deputy Commissioner Treasury Department Tumkur District, no exemption was made in favor of currency notes of 50 Rs and less. I am personally in favor of cashing small currency notes for bonâ fide travellers and others but as it is difficult to prevent a number of currency notes being cashed in the same interest within

Shimoga District
Sorab
Soraba
Nagar
Thirthahalli

Kadur District
Manjarabad
Mudigere
Koppa
Tarikere Sheravanthe

a short time, the commission has been made leviable on all currency notes. If approved I would instruct the Treasuries in question to cash currency notes of small denominations not exceeding Rs 500/ at a time when presented by bona fide travellers. I beg also to add that on the representation of the Treasury Officer Sumkur, I have permitted him to excuse the Commission in the case of currency notes presented for being cashed by the Wesleyan Mission Orphanage at Sumkur as it is a charitable institution and has long been cashing its notes at the District Treasury.
